Pastor Pan dares to escape persecution

Christian persecution is poorly understood in the U.S., but we can learn important lessons from diaspora communities like the Mayflower Church.

Led by Pan, this congregation found refuge in Texas after fleeing China. Now, their bold story inspires Americans to join the religious freedom movement.

Rolando defies an authoritarian regime

After the Nicaraguan government expelled hundreds of church members, Rolando Alvarez refused to leave; he was then sentenced to 26 years in prison.

Alvarez, who became the face of peaceful resistance, was eventually freed after more than 500 days in jail. Rejoice with us for our brother's freedom.

Yousuf reports from war-torn Gaza

GCR is providing relief to Christians in Gaza; many people are unaware that Gaza is home to one of the oldest church communities in the world.

Our partner Yousuf shares, "Clean drinking water is a major issue. The situation is dire now." Visit us online to learn how you can help.

Deborah survives kidnapping & assault

Our sister in Christ, Deborah, was held hostage for nearly two years by Boko Haram terrorists in Nigeria—the most deadly nation for believers.

After she miraculously escaped, GCR provided food, clothes, medicine and shelter. Today, she has a safe place to heal from this trauma.

A former atheist, Dongwon finds Christ

Dongwon defected from North Korea after he witnessed thousands of people starving. He felt disillusioned in China and contemplated suicide.

But something unexpected happened: God sent an evangelist to his door! Now he ministers to the underground church via digital technology.

Pulmaya repents of false religion

A former Hindu witch doctor in Nepal, Pulmaya describes how everything changed with one invitation to church and one gift: an audio Bible!

She longs to share the gospel with others, but Hindu nationalist leaders have outlawed proselytizing; it is punishable with jail time.

ABOUT THE

International Day of Prayer for the Persecuted

On November 3, 2024, you are cordially invited to join together with millions of Christians around the world as we collectively pray for the persecuted church.

The International Day of Prayer for the Persecuted was first created in the 1990s to raise awareness for persecution. The initial event was spearheaded by a coalition of different denominations that came together in a spirit of unity for an important cause: remembering Christian martyrs as well as those who actively experience threats, violence and discrimination because of their faith in Jesus Christ.

This annual observance takes place each year on the first Sunday in November, during which hundreds of thousands of congregations will pray for our suffering brothers & sisters. We thank you in advance for your participation!
