NIGERIA'S WITNESSES

Nigeria: The Center of Christian Martyrdom

Defend Nigeria's eyewitnesses of faith.

More Christians are killed for their faith in Nigeria than any other country in the world. And over 2 million are currently displaced from their homes. Yet rising out of this crisis are the most courageous eyewitnesses of faith – who can stand firm with their Church family behind them.

The Top Needs of Nigerian Christians

Many Christians who were forced to flee after extremist attacks now live in Internally Displaced Persons (IDP) camps, facing uncertain futures. Our global body of believers can strengthen the Church there with these 7 essential forms of support:

- **Education** for children who've been denied or can't access schooling
- **Healthcare** for underserved families where access is otherwise non-existent
- **Income-generating opportunities** for women and families to rebuild their lives
- **Youth empowerment programs** to equip the future generation with possibilities
- **Trauma counseling** to address the deep wounds of survivors
- **Clean water supply** and facilities serving thousands in IDP camps
- **Spiritual support** to strengthen faith and community among displaced families

NIGERIA

Pray for God's supernatural protection over vulnerable believers, especially families forced to flee and leave everything behind.

Pray for provision, improved living conditions, reliable aid, and hope for your brothers and sisters seeking refuge in IDP camps.

Pray for Nigeria's witnesses to draw many to Christ and that the Church would flourish there.
