PRESIDENT AND CEO

WHAT THESE STORIES AWAKEN IN US

As you read through this newsletter, you're seeing story after story of how God is using your generosity to strengthen and help your Church family around the world.

As followers of Jesus, we are called to care for one another – especially those who are suffering. This isn't just a good thing to do. It's part of our identity. **When the Church is hurting in one place, it matters everywhere. We are one body, one family.**

I've come to believe God is using these stories to do more than meet urgent needs. He is using them to wake up His Church. When we truly see our persecuted brothers and sisters, when we begin to pray for them and stand with them, we remember what it means to belong to each other.

When one part of the body suffers, the whole body feels it. Thank you for stepping closer in prayer and in generosity as God leads you.

TODAY, YOUR GIFT CAN HELP FREE 500 FAMILIES FROM THE BRUTAL BRICK KILNS AND OFFER THEM A BLUEPRINT FOR FREEDOM.

Your support of the Blueprint for Freedom can release Christian households from debt bondage so they can continue to stand strong in their faith.

You can help Pakistani Christians find freedom from slavery

Thank you for your heart for persecuted Christians. This summer, we are asking God to help end modern-day slavery in Pakistan. Many impoverished brothers and sisters are facing a lifetime of cruel, dangerous work because of exploitive loans they can never hope to repay on their own. Today, you can help free 500 Christian families from debt bondage in the brick kilns – once and for all – through our Blueprint for Freedom.

Give toward a family's Blueprint for Freedom with your gift of:

- 1. \$48.36 TO PROVIDE**
financial literacy training for one family.
- 2. \$809 TO PROVIDE**
debt relief to release a family from bonded slavery in the brick kilns.
- 3. \$1,025 TO PROVIDE**
income generation materials and related skills training for one family.

Your gift toward the total \$1,882.36 Blueprint for Freedom can release families from debt bondage, equip them with financial skills and new sources of income so they can shine as lights for Christ.

SUMMER 2026

Your love is helping rebuild burned churches for Nigerian Christians

Christians living in northern and central Nigeria have long faced deadly violence driven by a mix of ethnic, economic, and religious tensions. Armed groups like Boko Haram, ISWAP, and radicalized Fulani militants have devastated Christian communities, forcing millions to flee.

Today, long-suffering believers in Plateau State are now experiencing the compassionate care that comes when Christians stand together. Thank you for your partnership that refuses to let the Church be silenced in Nigeria and in other difficult places in our world.

**Through your continuing generosity,
the first shipment of lumber and zinc
roofing has arrived in Plateau State.**

And now the work of rebuilding homes and churches has begun!

***“If they persecuted me,
they will also persecute
you.” — John 15:20***

More shipments are due to arrive in the coming weeks and months. And we'll share more updates as this rebuilding project continues. For now, we extend our appreciation to you for faithfully walking with our brothers and sisters when persecution tried to scatter them.

**You have strengthened the
future of the Church in
Nigeria. Thank you!**

A BLUEPRINT FOR FREEDOM

Help free Christians in Pakistan from debt bondage.

Together this summer, we want to free 500 Christian families from debt bondage in the brick kilns through our Blueprint for Freedom – a clear, proven 3-step process:

1. FREEDOM AND DEBT RELIEF:

Immediate relief by clearing debts, releasing families from the burden of exploitative loans.

2. INCOME GENERATION PROJECTS:

Tailored livelihood projects matched specifically to each family, ensuring sustainable financial stability without further borrowing.

3. FINANCIAL TRAINING AND SUPPORT:

Comprehensive business training and financial literacy programs equip families to manage their resources effectively, ensuring lasting freedom.

Join us to help free Christians in Pakistan and equip them to shine as lights for Christ in their communities!

YOU ARE HELPING RESTORE A BOMBED CHURCH IN SYRIA

Last year, a suicide bomber entered Mar Elias Church in Damascus, Syria. The blast killed 30 worshippers and injured 50 more. When we returned to the church in February, the impact of supporters’ kindness could be seen everywhere – not just in the drywall and plaster of the renovations happening, but in the renewed hope on survivors’ faces.

THANKS TO OUR GENEROUS SUPPORTERS:

- 25 children affected by the attack have received trauma care.
- 5 Christian families who lost their breadwinner have started small businesses.
- 894 families across Syria received seasonal care packages at Christmas.
- 1,533 families received emergency food and hygiene kits.

Standing with Father Boutrous inside his sanctuary, mid-renovation, the smell of fresh paint and planks was a tangible reminder of the Church’s support at work. We let him know that we had been praying for him – that his congregation was not alone.

While he’ll always carry the weight of what happened in his heart, he also gets to carry the love from across the world that was rallied for his church. **His message for you: “Thank you for your love.”**

The prayer that freed more families

Six months ago, we asked Khalid how we could pray for him. He didn’t ask for himself. **He asked us to pray for the families still trapped at the brick kilns – the ones who hadn’t been freed yet.**

We took that prayer back to the U.S. We shared it with churches and donors. People gave. Kids at Vacation Bible School gave – enough to free five families.

Debt relief didn’t end for only one family after a freed man prayed. People heard it and responded. More families were freed. And those families will pray for others.

Through our Blueprint for Freedom, giving doesn’t just change one household. It reaches outward.

Khalid asked us to pray for others. We did. And families are being freed.

Today, Khalid and his family have moved back home from the kiln. They joined a savings committee – a local group where families pool money so they can cover their own emergencies without borrowing again.

When asked what message he would send to the people who helped, Khalid didn’t try to get poetic. **He said thank you. And he asked them to keep praying.**

INSPIRING WORDS FROM SOME OF OUR FRIENDS

MATT CHANDLER,
LEAD PASTOR,
THE VILLAGE CHURCH

“One of the gifts the global Church gives the Western Church is perspective. When we see believers who remain faithful under persecution, it reminds us what following Jesus truly costs – and why it’s worth it. Global Christian Relief helps tell those stories and connect the Church to what God is doing in some of the hardest places in the world.”

RYAN MILLER,
FOUNDER OF THE JESUS
PEOPLE MOVEMENT

“Scripture calls us to remember those who suffer for their faith and to pray as if we were walking alongside them. Global Christian Relief helps the Church live out that calling by connecting us to persecuted believers around the world. I’m thankful for the way they keep prayer at the center of this work.”

TREVEYON HENDERSON,
RUNNING BACK,
NEW ENGLAND PATRIOTS

“Becoming a monthly partner with Global Christian Relief was part of learning to be a good steward – using what God has given me to support brothers and sisters in Christ who are facing persecution.”

YOUR GIFTS PROVIDE BIBLES FOR PERSECUTED CHRISTIANS IN INDIA

India is home to millions of persecuted Christians. But despite the unrelenting terrorism and attacks from religious fundamentalists, their faith is only growing.

The need for Bibles is great. Believers and seekers are desperate for the encouragement and strength that come from reading Scripture.

That’s why, with your help, GCR’s partners distributed 12,500 Bibles across four states in India where persecution is the most severe.

With your support, Bibles can reach those who need them most. Thank you for your continued generosity!
